THE Glass House

WEDDING & EVENTS

Launched in 2018 The Glass House is a beautiful venue in Lancashire, nestled in the picturesque rolling landscape of the Fylde countryside.

Blending modern elegance with charm and romance, this unique and neutral venue can be transformed into your theme but also looks beautiful with minimal styling. Twinkling fairy lights, glittering crystal chandeliers, crisp modern lines and glass walls blend seamlessly with wooden beams and endless countryside views to capture the beautiful elegance of an English wedding.

The Glass House is immediately impressive with a perfect layout for weddings with everything in one room that can be separated by glamorous mirrored bifold doors. The floor-to-ceiling windows and long bifold glass doors bring the outside inside offering all the benefits of an outdoor wedding with the comfort of a roof to shelter guests from unreliable British weather.

A beautiful blank canvas in a spectacular setting yet close to the M55 and a short drive away from Blackpool, Poulton-Le-Fylde, Lytham, St Anne's, Fleetwood and Preston.

THE Glass House

WEDDING & EVENTS

The First Look

Before guests are welcomed in for the reception, we will bring you both in for the 'first look'.

This is your private moment together to appreciate the transformation of the venue and to check the set up is as you dreamed. We are very proud to say we've never had a disappointed couple and every wedding we've hosted has reflected each couple's beautiful and unique vision perfectly.

The Wedding Breakfast

One of the most memorable parts of a wedding is the food. The wedding breakfast is a celebratory feast, the first you share as a married couple.

Loved ones coming together to enjoy a meal in your honour will appreciate being well fed and that's why we have teamed up with some amazing local caterers who offer everything from fine dining, street food, rustic sharing platters, barbeque, hog roasts and afternoon tea.

Top Tip: Your wedding breakfast should fit with your wedding theme and be a reflection of you as a couple, it is impossible to please all your guests' individual tastes so you should focus on choosing a menu you will enjoy.

Please get in touch and we would be happy to send you menus carefully tailored to each of our packages or put you in touch with the caterers to discuss your menu requirements directly.

THE Glass House

WEDDING & EVENTS

The Party

We believe flow is key to a successful wedding day with minimal disruption for guests so don't do a formal turnaround as standard. We prefer to work around you and your guests to smoothly clear or move tables as needed without the need to relocate guests and lose the joyous atmosphere that has built up during the day.

As the sun goes down the inbuilt coloured uplighters, twinkling fairy lights on beams and trees sets the scene for a party of a lifetime. With plenty of space for dancing, the band or DJ and with everything in one room The Glass House offers everything you need for you and your guests to celebrate in style.

The Morning After

Whilst we don't currently offer on-site overnight accommodation (there is a great selection of accommodation close to the venue to suit various budgets) we do know how to make an excellent breakfast and can offer exclusive hire options if you want to reconnect with guests to share the memories of your special day.

Brunch Packages from £10.95pp

TWELVE EVENT MANAGEMENT

We would be delighted to discuss your wedding menu with you and offer some initial ideas for your special day. From a traditional three course wedding breakfast, bbqs, hog roast, sharing platters and street food concepts or your very own ideas. We have the experience and skilled team of chefs to create and turn your ideas into reality.
